### Premier Service Agreement

**AGREEMENT** made this \_\_\_ day of \_\_\_\_\_ between TriCounty Gas, Inc.  
and \_\_\_\_\_, the customer.

Mailing Address \_\_\_\_\_ Phone \_\_\_\_\_ Delivery  
Address \_\_\_\_\_

TriCounty Gas will give the best pricing available at time of delivery. Customer will receive priority deliveries and will not be held to minimum delivery restrictions. Customer will not have any add-on charges for deliveries. TriCounty Gas will provide propane deliveries on routed schedules. TriCounty Gas will provide dependable quality service by trained employees.

Customer has TriCounty Gas' Out of Gas guarantee. If while registered with the Premier Service Agreement the customer runs out of propane, TriCounty Gas will make an immediate delivery of propane, perform the Leak Check and relight all pilots.

Out of gas calls that are caused by equipment malfunction or digging, trenching or other damage to gas line do not qualify for the Out of Gas guarantee.

Customer agrees to allow TriCounty Gas access to propane storage tanks at all times and will pay on delivery or within a 10 day grace period. Customer will promptly notify TriCounty Gas of any work or changes on their propane system, added equipment, or abnormal use of propane. Customer will follow all safety literature provided by TriCounty Gas and will not allow anyone to modify or tamper with the gas system. Customer agrees to provide good access to propane tanks, i.e. roads plowed, gravel, etc.

Requirements for participation:

- Established credit.
- 60 days of propane storage capacity.
- Current on account.
- Living close to routed areas.

Customers who choose to discontinue Premier Service will not be eligible for renewal until the following year. Customers who are not current will also be removed from the program. Service charges will be applied to past due accounts.

The Customer agrees that TriCounty Gas will not be held responsible for any failure to make deliveries or provide service which is prevented by adverse weather, failure of transportation facilities, shortages of supply, fire, riot, war, act of God or any other cause beyond the reasonable control of TriCounty Gas.
